

January newsletter

We hope everyone had a fun and safe holiday. We had a nice Christmas party here in the twos room. Thank you to all the parents who got the room gifts off our wish tree. We got some much need items that we tend to go through fast. Thank you to all the parents for all the wonderful gifts that were given to the teachers. Our Christmas party was a success thanks to you!!

Now that everyone is coming back to school we are excited to be working on letters and colors. Some of the things we do with the kids is ask them what colors are they wearing or what colors are we wearing. They have a lot fun with that and it helps with learning new colors. We are also working with letters M through O with a review.

We have been working really hard with trying to get the kids to use their utensils through the whole lunch and drinking out of a cup with no lid.

Reminder as the weather starts to take a turn for the worst please feel free to bring in slippers for your child. Also please make sure your child has appropriate clothes in their cubbies especially those who are potty training.

We would like to Welcome Curtis into our room =)

Thank you and good bless,

Miss Melody, Miss Carmen, and Miss Donna
