Happy New Year! It's finally 2009. We all look forward to a wonderful and exciting new year. Hope everyone had a blessed Christmas. Hope all your dreams came true.

We were so proud of the kids at the Christmas Program. We practiced very hard. It was so good to see all the families.

Our Christmas Party was a hit. We read stories, ate awesome goodies, played some games and opened up the gifts for our room. Thanks to the parents who brought in goodies. An extra thank you also for the gifts for our room. Everything is greatly appreciated. Thanks also for the wonderful gifts for the teachers. We do have the best parents!!
