

## January's After School Newsletter

I can not believe it is already 2009! We had so many fun activities this month. The kids were really excited to go to Houlihans. Thank you to the parents for bringing in presents for the classroom. The kids really appreciated them. Also, thank you to the parents for bringing in treats for our party.

This month we will be focusing on winter. We are trying to get outside whenever we can so make sure your children are wearing appropriate clothing.

Don't forget we are still working on building our reading snowman! I will like to see all of the students receive a book this time around.

Important dates:

January 6= ALL KIDS return to school

January 12-16= Ms. Jenny's vacation

January 19= ALL KIDS no school (MLK Jr. Birthday)

Ms. Jenny
